## GUAVA Diadem advantage

### **GUAVA Diadem**

preferred by discerning interior designers and architects, Diadem is NSF and Greenguard Gold certified, antimicrobial, and produced using recycled water and raw materials.

### **Diamond Strong**

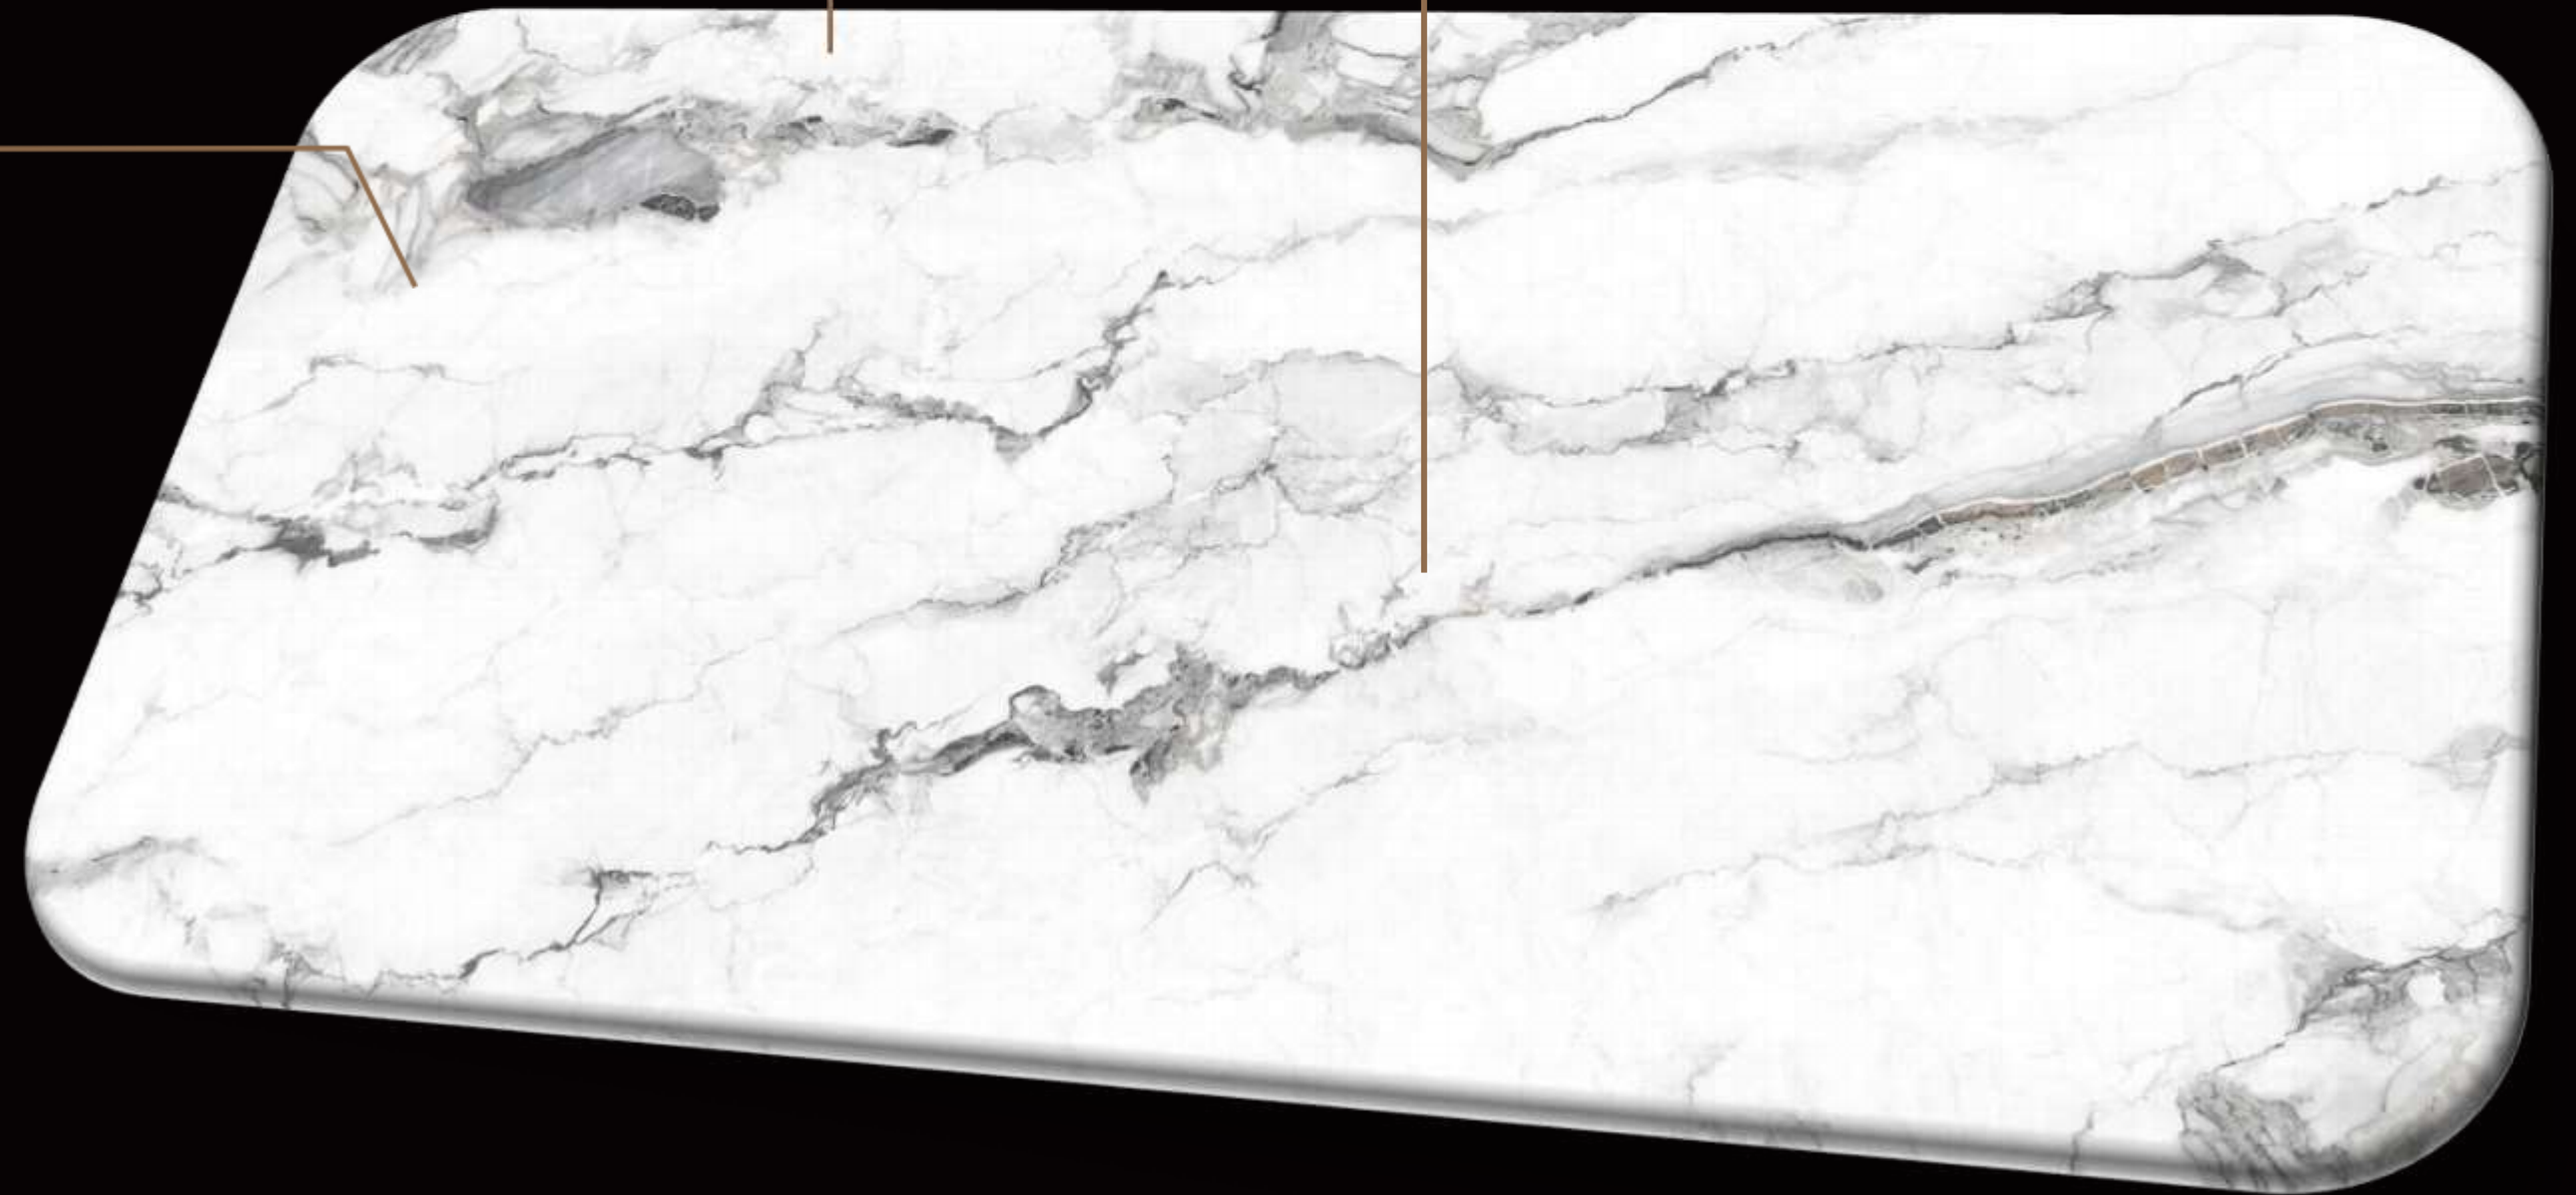

With our proprietary high polish finish. Our DIADEM surfaces are highly scratch and stain resistant.

### **Through-body Design**

Our industry leading Through-body technology creates an unparalleled depth to each slab.

### **Low Silica**

We go beyond current certification standards and best practice industry norms by offering a low crystalline silica surface. Our commitment to the health of our planet is one of our top priorities.
